Subject: tonight

Hi Kylie,
Meet me in town this evening. Look at the map.
First, leave your apartment and go **right**. Then, turn **left** and walk **past** the supermarket. After that, go **across** the street before the traffic light and make a right. Go **through** the park, turn right, and then go **straight**. Go **over** the bridge. The cafe is **between** the bank and the library.
Come to the cafe at 6 o'clock!
See you later,
Jack

3 Check with a friend. Use the new words.

- 1 Where are you sitting? Use "between."
- 2 Look to the right. What can you see?
- 3 What buildings do you go past on your way to school?
- 4 Do you walk through the playground on your way to school?
- 5 Do you know how to walk across a street safely?
- 6 Look straight ahead. What's in front of you?
- 7 Does your street go over or under a bridge?
