

### Diamonds by Sam Smith

1. Listen at the song and filling the blanks. Use pictures as clues.

Have it all, rip our memories off  
the \_\_\_\_\_  
All the special things I bought  
They mean nothing to me anymore  
But to you, they were everything we  
were  
they meant more than every \_\_\_\_\_  
Now I know just what you love me for,  
hmm  
Take all the \_\_\_\_\_ you want  
from me  
Hope you become what you want to be  
\_\_\_\_\_ me how little you care  
how little you care, how little you care  
You dream of glitter and \_\_\_\_\_ my  
heart's already been sold  
Show you how little I care  
How little I care, how little I care

My diamonds leave with you  
you're never gonna hear my heart break  
Never gonna move in \_\_\_\_\_ ways  
Baby, you're so cruel

My diamonds leave with you  
Material love won't \_\_\_\_\_ me  
When you're not here, I can't breathe  
Think I always knew

My \_\_\_\_\_ leave with you  
(Diamonds, diamonds, diamonds,  
diamonds)

\_\_\_\_\_ it off, shake the fear of  
feeling lost  
Always me that pays the \_\_\_\_\_  
I should never trust so easily  
You lied to me, lie-lied to me  
Then left with my heart 'round your  
chest, hmm

Take all the money you want from me  
Hope you become what you want to be
