

3 A Listen to the radio programme and circle the correct alternative.

The name of the company is Twin Taxi Company because:

- a) It has two taxis.
- b) The drivers are twins.
- c) The company is in Twin City.

B Listen again. Are the sentences true (T) or false (F)?

- 1 Angela and Matt have one taxi. _____
- 2 Their taxi company is open at night. _____
- 3 They don't like their job. _____
- 4 Angela and Matt both have children. _____
- 5 They're husband and wife. _____
- 6 They don't see each other. _____

C Complete the sentences with the numbers in the box. You don't need two of the numbers.

11 26 6 1 17 4 36 2

- 1 Matt drives 11 hours a day.
