

READING ACTIVITY

1. Complete the gaps on this mail:

Hi, Melissa!

Guess what! My mum and I are going to to visit Rome on 1st May! It is an amazing (amaze) journey! My Dad is not going to come with us because he is going to visit my grandmother in France and he has to work there. His journey is going to be more boring (bore) than our journey. In Rome, my mum and I are going to visit a lot of museum. Firstly, we are going to visit the Colosseum, and after that we are going to see The Pantheon. Later, we are going to toss(throw) a coin to the Trevi Fountain. This action means that one day we'll return to Rome. We are really interested (interest) in this activity, we think it could be great to return! Everybody loves Italian ice cream, but I am not going to try it because, as you know, I hate ice cream. However, I think my mother will want to have an ice cream, she loves it.

We are going to go horse riding, too. I feel so excited (excite) about my journey! Are you going to go on holiday this year? What are your plans? Write and tell me!
