Mark Zuckerberg

What does it take to become a billionaire? Let's look at one of the richest people in the world – Facebook creator, Mark Zuckerberg.

Mark was interested in computers from a young age. He was a (1) clever boy, and he did very well at school. He started to learn computer programming when he was in primary school. He had lots of ideas because he was very (2) hard-working.

When he was at university, Mark worked on his projects at night while his friends were at parties. To do well in life, it is important to be (3) creative.

Mark created Facebook while he was at university, and it was popular with students. It grew very (4) quickly and after three years, several large companies wanted to buy it. These days, Mark tries to live a normal life and he prefers to give his money to people in need. Not all billionaires are so (5) generous!

One thing that Mark isn't so great at is choosing nice clothes. He's not very (6) well-dressed and likes wearing T-shirts, jeans and sweatshirts. He doesn't like talking to people he doesn't know because he is (7) shy, but he has (8) turned into one of the most famous people in the world.

Words for exercise 3: funny, go hiking, sleeping bag, surfing, scuba diving, horse riding, still, have fun ,
