Walking Eating Talking Thinking

9. How did he communicate after he lost the ability to speak?

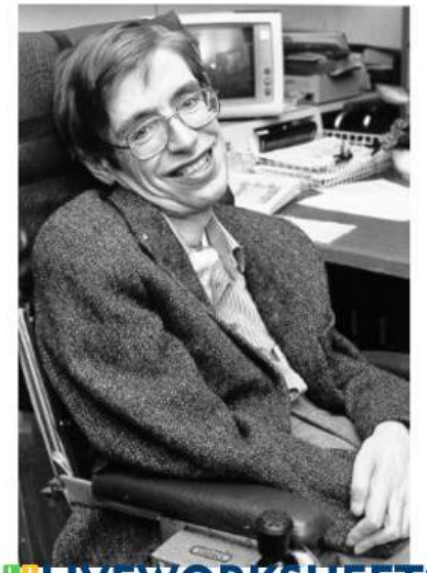

10. In your own words, how would you describe Stephen Hawking's character? (his personality)

My Response

Stephen Hawking was described as 'lazy' in primary school and then found university boring in his first year. For someone who loves to learn so much, why do you think he was like this?

My Research

What else can you tell me about Stephen Hawking either from the video or using your own research?
