LIVEWORKSHEETS

GRAMMAR

Choose A, B or C that is incorrect in each of the following sentences. Then correct it.

Questions	Mistake	Correction
1. My grandfather has gone (A) to (B) hospital last month. He is (C) fine now.		
2. Life expectancy has been (A) very low in (B) the past. Now it is (C) higher.		
3. My father used to do (A) a lot of exercise (B) since (C) he was young.		
4. I was (A) ill last week, and didn't do (B) much exercise (C) so far this week.		

PROJECT

HEALTHY HABITS POSTERS

Work in groups. Design a poster to help teens to develop a healthy habit (e.g. having a balanced diet, taking regular exercise, protecting themselves against certain diseases).

Present your poster to the class. Use these questions as cues for your presentation.

1. What is the healthy habit?
2. What are the benefits of this habit?
3. How can we develop this habit?

SPEAKING ASSESSMENT

Criteria	Points awarded	Points possible
Talking points is relevant to the topic		4
Speaking loudly, clearly and fluently		3
