No	word/phrase	meaning

The sky seemed to grow darker as we made our way past the bare black trees of the woods.</p>
2	Hot weather	<p>He brushed his coppery hair back off his forehead. His hair was wet, his face was red, and he was sweating. I guess he must be feeling hot from the sweltering weather.</p> <p>-The air felt warm and sticky, making it uncomfortable to be outside.</p>
