Hi Pete,

Well, here we are in Canada! I ¹ my time here. This week my sister Angela and I ² in Banff National Park. We can see Lake Louise from our tent – it's beautiful! There are lots of things to see and do here. We often ³ kayaking on the lake. We'd like to try some other activities in Canada, too. Angela would really like to ⁴ orienteering but I want to sign ⁵ for a climbing course.

Next week we ⁶ to Algonquin Park. We ⁷ get up early every morning because that's the best time to see wild animals. I ⁸ a photography course last year so I ⁹ hundreds of photos of wolves and bears.

At the end of the month we're ¹⁰ a train to Vancouver. Our plane ¹¹ for London at midday on 26th August. Then it's back to work on 28th August.

See you then.

Mark
