READING COMPREHENSION PAPER

1) Read the text . Then read the questions and choose the correct answer.

A weekend in the city.

	<p><b>TOM</b> I visited London last year and it was brilliant. I went with my family and we stayed in a hotel in the city centre. We bought tickets for a museum. I love visiting the museums in London, but we went shopping and it was very boring! On Saturday evening we watched a film and it was really fun!</p>
	<p><b>DANNY</b> Two years ago, I visited Paris with my parents. We stayed in a small apartment in the centre of the city and we went everywhere on foot. I loved visiting the Eiffel Tower and eating delicious food, but my favourite activity was going on a boat. The city looked beautiful from the water and I took lots of photos with my mobile phone.</p>
	<p><b>CHARLIE</b> I went to Madrid with my family last weekend and it was amazing. We stayed at my aunt and uncle's apartment and they took us to lots of beautiful places. We used the underground to travel because it is very fast. We visited a football stadium and we went to the zoo.</p>
