7. The man goes to pick up the guest. You see him interact with people on the street. Define networking. When you think about yourself, do you enjoy talking to many different people? Will you be able to introduce yourself to new people?

8. As the man and guest walk along the water, you see him run back to the guest where they then act out walking and chatting. This means, oftentimes, you will have to repeat yourself doing things. (Go set up a camera to catch a video of you walking. Chatting with a friend. Refilm scenes you did not like.) Do you do well with repeating tasks?

9. How do they set up a filming set? What equipment do you notice? Look up the cost.

10. They practice and memorize their lines. Do you enjoy acting and how well do you memorize lines?

11. The team goes Live on Facebook. Why would they do this? How would you promote yourself?

12. What do you do to relate to people? When you talk to someone, how do you get to know them?
