Heads I win, tails you lose

I always play by my own rules

And I don't believe in wasting time

So long before we end this night

I .....you

I .....you

I .....you

You .....mine

I .....you

Wrong or right

I .....your heart

You will be mine

An unwritten law says a girl should wait

Should let the man set his own pace

But a woman in love, she's above the law

So long before this night is gone

I .....you

I will have kissed you

I .....you

You will be mine

I .....you

Wrong or right

I will .....heart

You will be .....

You top my list of things to do

And I .....to you

Before this night is through

I will .....you

I .....kissed you

I will have .....you

You will be mine

I will have loved you

Wrong or right

I will have your heart

You will be mine
