Part I: Reading Comprehension

Direction: Read and analyze the hospital conversations then answer the questions that follow.

Patient Symptoms

- Nurse:** Good morning Ma'am, how can I help you?
- Patient:** I'm not quite feeling good.
- Nurse:** What are your symptoms Ma'am?
- Patient:** I have a runny nose, sore throat and a bad cough.
- Nurse:** Do you have fever?
- Patient:** I feel a bit hot and nurse I also sneeze a lot. Last night I had a nose bleed.
- Nurse:** How long did it last?
- Patient:** Only a few minutes. Is it very serious?
- Nurse:** We're not sure as of the moment Ma'am. We're going to do rapid test (Covid19 swab test) and wait for the results in an hour.
- Patient:** What should I do?
- Nurse:** Let's wait for the results; you can have a seat Ma'am.
- (After 1 hour the results are in)**
- Nurse:** Your swab test results are in, you can now consult the Doctor.
- Patient:** Am I Covid19 positive? I'm so worried.
- Nurse:** No need to worry Ma'am. It looks like you just have a very bad cold, maybe an allergy due to sudden weather changes.
- Patient:** Thank you so much Nurse.
- Nurse:** You're welcome and get well soon Ma'am. Feel better soon.
