

AS LONG AS YOU LOVE ME

Although loneliness has always been a
friend I'm leavin' my life
in your hands

People say I'm crazy and that I am blind
Risking it all in a glance

And how you is still a
mystery

I can't get you out of my head
Don't care what is in
your

As long as you're here with me

I don't care who you are

Where you're from

What you did

As long as you love me
..... you are

Where you're from

Don't care what you did

As long as you love me

Every little thing that you have said and
done

Feels like it's deep within me

Doesn't really if
you're on the run It seems like we're meant
to be

I don't care who you are (who you are)

Where you're from (where you're from)

What you did

As long as you love me (I don't know)

Who you are (who you are)

Where you're from (where you're from)

Don't care what you did

As long as you love me (yeah)

As long as you love me

As long as you love me

I've tried to hide it so that no one knows

But I guess it shows

When you look into my eyes

What you did and where you're comin' from

I don't care, as long as you love me, baby

I don't care who you are (who you are)

Where you're from (where you're from)

What you did

As long as you love me (as long as you love

me)

Who you are (who you are)

Where you're from (where you're from)

Don't care what you did (yeah)

As long as you love me (as long as you love me)

Who you are (who you are)

Where you're from

What you did

As long as you love me

Who you are (who you are)

Where you're from (where you're from)

As long as you love me

Who you are

As long as you love me

What you did (I don't care)

As long as you love me

Of mine

Who (x4)

Got me blind
