## My lovely hairband

On my birthday last week, I got a very lovely hairband from my mother.

It is medium size. It has very nice shape. It is made of plastic. It has pink color. It has two parts. The first part is the hairband, and the second part is the butterfly accessories shape on the top of the hairband. It is useful for keeping my hair neat. I like it very much because it is nice. Thanks Mom.
