## What's on this weekend?

### A Open Air Entertainment

From old black-and-white classics to the latest award-winning films. We open for the summer season this Saturday. Come along and enjoy your favourite film in the evening, outside under the stars – the weather looks good this weekend! Children under 13 enter for free.

### E Mansfield Arts Market

Come along this Sunday to check out some of the fantastic artistic talent the region has to offer. Have a look at some of the works and support our local artists by buying one to take home. We also have face-painting for the younger children and an art workshop for children who want to have a go themselves.

### B Find Robert the Rabbit

Bring the children along to our annual 'Find Robert' event at Kings Shelley Park this Saturday morning. Each year Robert finds a different place to hide away, and this year we think the kids will find it hard to locate him. Lots of running around and fun for children of all ages!

### F Art Attack

Come along to our art club for children this weekend. We offer a safe place where children from 6–16 can have time working alone or with others on a piece of art. And if your child needs help with their schoolwork there'll be someone available to offer help and advice.

### C Open Gardens

We're pleased to announce this popular summer event will be taking place this weekend. For anyone interested in gardens and gardening, now's your chance to have a look at some of the best in town as people open up their gardens to visitors any time between 9.00 and 5.00. Children are welcome.

### G Wanted: Young Musicians

For ages 14 and over, Middlechurch Musicians are holding a series of activities over the weekend for young people of any ability to learn or practise an instrument of their choice. Bring your child and their favourite instrument along, or if they haven't got to this stage let them try one of our own.

### D Tom and Larry's Garden Party

This Sunday Tom and Larry will be performing your favourite tunes and a few new ones you may not have heard of. Entrance fee for the evening entertainment includes an evening of music, a buffet with a wide range of food and hot and cold drinks along with ice-cream for the kids.

### H Hassocks Green Festival

In addition to our regular favourites, organisers this year have introduced a children's theme. Take a chair, then relax and enjoy action films and some of the funniest cartoons that will keep your kids entertained. The festival opens on Sunday at 10.00 and is free.

### Questions 11–15

For each question, choose the correct answer.

## Headteacher Mary Collins talks about healthy school days

Since I took up my role of Head at Franley Junior School I have been keen to educate our children on the importance of developing healthy habits. I started by working with our restaurant manager to come up with tasty new menus that contain lots of healthy ingredients. We change the menu Monday to Friday to encourage the children to try different things and keep unhealthy fried food to a minimum. The children have enjoyed the meals and eat a wide range of fruit and vegetables.

We've also rented an area of land near the school for a vegetable garden and made gardening a part of the school curriculum. Children now prepare the ground for planting, plant the seeds and watch as these turn into healthy fruit and vegetable plants. We're planning to create a child-friendly kitchen so our pupils can discover the pleasure of cooking. I believe all this gives the children an understanding of where our food comes from and very important skills that will stay with them for life.

To support this healthy-eating campaign, we have also made changes to the amount of physical exercise we get our children to do during the day. We start every morning before classes with a 'wake and shake' session in the playground when children get the chance to burn off energy with fun exercise routines. We also have different play times during the day so the playground isn't crowded, which means the children can run around safely. To support this we have also invested in sports equipment such as tennis, football and gym equipment to encourage the youngsters to take up sports.

But it's not just the children who are developing a healthy lifestyle. Several of our teachers have signed up for the Franley Fun Run this summer for the first time and have started a training programme in order to get fit. Many of our pupils have joined them and will be taking part in the run as well. I'm sure that seeing their teachers beside them will inspire them to finish. We have even had several parents show an interest in doing the event as well, so this is something we're all really looking forward to.
