Hi Kamlai

I'm having a great holiday in Thailand. Your cousins are so friendly and great fun. Can you give me some advice, please? I've been invited to your uncle's house tomorrow for lunch. ¹_____ bring a present?

Anna

Hi Anna

Good to know that you're enjoying your holiday. Yes, my aunt and uncle are quite traditional, so you ²_____ bring a present with you. You ³_____ spend a lot of money – a small box of chocolates or some simple flowers are fine. You ⁴_____ take your shoes off when you go inside. My aunt and uncle never wear shoes in the house. And you ⁵_____ arrive on time! Being late is very rude!

We usually serve ourselves from big plates with different types of food on the table. You ⁶_____ choose any food that you don't like and you ⁷_____ eat everything on your plate – it's OK to leave some food, but you ⁸_____ leave any rice. That's because rice is very important in our culture.

I'm sure you'll have a wonderful time!

Hi Kamlai

Thanks for your email. I had a fantastic time at your aunt and uncle's house. Now I need some more advice. I want to spend a couple of days on the beach. I'm sure there **'must' / 'could'** be a good beach not too far from Bangkok.

Anna

Hi Anna

There are so many lovely beaches in Thailand! Hua Hin beach is very popular, and you **'can't' / 'I'll be able to'** get a bus there from Sai Tai Mai Terminal in Bangkok. The journey **'should' / 'must'** take about 3.5 hours. However, it **'can't' / 'can'** get very busy at the weekend.

You **'can't' / 'could'** visit Koh Lipe. That's my favourite beach! You **'may' / 'will be able to'** like it because it's really peaceful and beautiful, but you **'might' / 'should'** get a bit bored in the evenings. The other problem is that you **'mustn't' / 'can't'** get there very quickly – it's 800 km from Bangkok.

Why don't you talk to my cousins? They **'I'll be able to' / 'must'** give you the best advice, because they live in Bangkok and they love swimming in the sea!

Have a fantastic time!

Kamlai
