

 Hey, guys! I need some help with a school project.
 How ¹ is Mount Everest?

 Hi, Dan. Mount Everest is 8,850 ² high.

 Thanks, Jess. That's ³! How old is it?

 Sorry, Dan. I don't know ⁴ it is. But it's very, very old! Now I've got a question. What goes at fifty kilometres per ⁵?

 I don't know.

 My brother when it's homework time! 

1 a metres

b high

c low

2 a kilograms

b grams

c metres

3 a awesome

b no way

c wow

4 a how deep

b how high

c how old

5 a week

b hour

c year
