- 10.- ...because Verdugo said he will fail English: \_\_\_\_\_

### G) Read the following passage and complete each gap with a verb in Simple Past.

Saturday, May 29th 2010

Dear diary

Yesterday we \_\_\_\_\_ in our school the Students' Day Celebration, so I \_\_\_\_\_ to the mall with my friends. We \_\_\_\_\_ lots of fun there, I really \_\_\_\_\_ it. We \_\_\_\_\_ there because school \_\_\_\_\_ earlier than normal, at 11:00 am, so we \_\_\_\_\_ to hang out or do something. There was Borrego, Dumbo, Campos, Cruz, Chabelo and of course me. We six \_\_\_\_\_ from school half an hour before we were supposed to leave. We \_\_\_\_\_ to the other side of the wall by the football field, thank God nobody \_\_\_\_\_ us!

While we \_\_\_\_\_ our way to Forum, we talked and \_\_\_\_\_ about our teachers.

We \_\_\_\_\_ by La Isla de Orabá, were we \_\_\_\_\_ and \_\_\_\_\_ for half an hour approximately... we \_\_\_\_\_ a little scared because we \_\_\_\_\_ all the students from High School hanging out there, and usually they would kick secondary schoolers asses and we \_\_\_\_\_ to be beaten by them.

We \_\_\_\_\_ to the other side of the river, by Parque las Riveras until we \_\_\_\_\_ Forum. We \_\_\_\_\_ around one hour there, walking around, eating ice cream, laughing, visiting stores, trying out shoes we wouldn't buy... everything was so cool until Borrego's phone, an LG - Chocolate, \_\_\_\_\_... I think it was his \_\_\_\_\_, who \_\_\_\_\_ him and \_\_\_\_\_ him to go back home right away. Then, my phone, a Motorola PEBBLE U6, \_\_\_\_\_ too. It was my mother saying...

If you see this, don't say anything to anybody, just draw a cute pig on this page to get an extra decimal.
