Divisões da Casa

1 – Arrasta os objetos para a divisão da casa a que pertencem.

Arrasta os objetos para a divisão da casa a que pertencem.

The image shows a central illustration of a house divided into four rooms: a bedroom (top left), a bathroom (middle left), a living room (middle right), and a kitchen (bottom right). Surrounding the house are several household objects: a red sofa, a toothbrush, a red pot, a toaster, a pillow, and a red bucket. Teal circles are placed around the house, with lines connecting them to the rooms, indicating where to drag the objects.

2 – Arrasta e ordena corretamente as peças do puzzle para formares a imagem de uma divisão da casa.

Arrasta e ordena corretamente as peças do puzzle para formares a imagem de uma divisão da casa.

The image shows a 2x3 grid of empty puzzle pieces. To the right, there are several puzzle pieces from a bathroom scene, including a girl washing her face, a boy brushing his teeth, and a girl washing her hair. A red arrow points from the puzzle pieces to the grid.
