I prefer _____.

Conversation

Brian: What are you doing tonight?

Amy: I'm staying home.

Brian: You're going to stay home on a Saturday night? No way!

Amy: Tonight is the last episode of Angelica.

Brian: You're staying in to watch a soap opera? I don't believe it!

Amy: I want to find out who killed the evil Rebecca.

Brian: You and millions of other viewers in the country. My sister is having a Last Episode party with her friends. Even my dad's staying home to watch Angelica. Oh, come on, let's go to Tony's. They have a TV set in the restaurant.

Amy: I can't stand eating out on a Saturday night. It's too crowded.

Brian: What can I do to persuade you?

Amy: Sorry. Nothing you say will change my mind. But would you like to come over and watch with us?
