I don't like essays. I hardly ever [1] **read / write** an excellent essay. I [2] **pass / make** mistakes all the time and my teacher has to [3] **get / correct** them. But I'm good at projects. I can [4] **make / do** a brilliant project. In class, I sometimes don't [5] **pay / make** attention and my teacher gets angry. But I never [6] **fail / cheat** in a test because it isn't fair to look at my friends' tests and copy their answers.

I've got a test next week, but I don't need to [7] **pass / revise** a lot because I usually [8] **get / pay** attention in class and I can remember a lot of things. I want to be fair, so I never [9] **cheat / pass** in tests. I know that sometimes I [10] **make / get** a low mark or even [11] **fail / revise** a test. But I'm quite sure I'll [12] **write / pass** the one next week because I love biology.
