

## **MODALS – POSSIBILITY**

1. Put these sentences in order, from the most certain/probable to the least possible (más de una oración puede ir en la misma fila):

The building could have been destroyed.  
The building must have been destroyed.  
The building may have been destroyed.  
The building was destroyed.  
The building might have been destroyed.  
The building wasn't destroyed.  
The building cannot have been destroyed.

### ***MORE POSSIBILITY***
