

Let it go

The snow glows _____ on the mountain tonight
 Not a footprint to be seen
 A kingdom of isolation
 And it looks like I'm the _____
 The wind is howling like this swirling storm inside
 Couldn't keep it in, heaven knows I've tried
 Don't let them in, don't let them see
 Be the _____ girl you always have to be
 Conceal, don't feel, don't let them know
 Well, now they _____
 Let it go, let it go
 _____ hold it back anymore
 Let it go, let it go
 Turn away and slam the _____
 I don't care what they're going to say
 Let the storm rage on
 The _____ never bothered me anyway
 Let it go, let it go
 Can't hold it back anymore
 Let it go, let it go
 Turn away and slam the door
 Let it go (go, go, go go, go go, go go, go, go, go go)
 Let it go
 It's _____ how some distance makes everything seem small
 And the fears that once controlled me can't get to me at all
 It's time to see what I can do
 To test the limits and break through
 No right, no wrong, no rules for me
 I'm _____
 Let it go, let it go
 I am one with the wind and sky
 Let it go, let it go
 You'll never see me cry

QUEEN – GOOD – COLD –
 KNOW – WHITE - CAN'T –
 DOOR – FUNNY - FREE

Here I stand and here I stay
Let the storm rage on
My power flurries through the air into the ground
My soul is spiraling in frozen fractals all around
And one thought crystallizes like an icy blast
I'm never going back, the past is in the past
Let it go
The cold never bothered me anyway
Let it go, let it go
And I'll rise like the break of dawn
Let it go, let it go
That perfect girl is gone
Here I stand in the light of day
Let the storm rage on
