### **III. Read and cross out correct words:**

Jungles are *cold / hot* and *dry / wet* places. They are very *green / pink / blue* because it never / often / carefully rains there. A lot of fantastic flowers, plants, and *animals / puppies / pets* live in jungles. There are big *rivers / seas / stresses* in lots of jungles. Be careful, because sometimes you can find dangerous *crocodiles / whales / dolphins* in some of them! Many people who live in the jungle have their homes next to river or waterfall because they need to drink its *soup / tea / water*. People often travel up or down the river by *boat / truck / bike*. Rivers are like rounds in a jungle.
