

Billie Jean

Michael Jackson

lyricstraining

She was more like a beauty queen from a movie scene

I said don't mind, but what do you mean _____ the one

Who will dance on the floor in the round

She said _____ the one

Who will dance on the floor in the round

She told me her name was Billie Jean

As she caused a scene

Then every head turned with eyes

That dreamed of being the one

Who will dance on the floor in the round

People always told me...

Be careful of what you do

And don't go around breaking young girls' hearts

And mother always told me...

Be careful of who you love

And be careful of what you do

'Cause the lie becomes the truth...

Billie Jean is _____ my lover

She's just a girl

Who claims that _____ the one

But the kid is _____ my son

She says I am the one

But the kid is not my son

For forty days and for forty nights

The law was on her side

But who can stand when _____ in demand

Her schemes and plans

'Cause we danced on the floor in the round

So take my strong advice

Just remember to always think twice

(Do think twice...)

She told my baby that's a threat

As she looked at me

Then showed a photo of a baby cries

Eyes would like mine

Go on dance on the floor in the round, baby

People always told me...

Be careful of what you do

And don't go around breaking young girls' hearts

She came and stood right by me

Then the smell of sweet perfume

This happened much too soon

She called me to her room...

Billie Jean _____ my lover

_____ just a girl who claims that _____ the one

But the kid _____ my son...

Billie Jean _____ my lover

_____ just a girl who claims that _____ the one

But the kid _____ my son

She says I am the one

But the kid is not my son

...

She says I am the one

But the kid is _____ my son...

Billie Jean is _____ my lover

She's just a girl who claims that I am the one

But the kid _____ my son

She says _____ the one

But the kid _____ my son

She says I am the one...

Billie Jean is not my lover

Billie Jean is...
