Hi Emily,

How are you? I hope you and your family are well. My wife and I have been talking about moving to your city. There are several **factors**, but the main reason is that we want a better **quality of life**. You've lived there for many years. Do you think it's a good place to live?

Pablo

Hi Pablo,

Lovely to hear from you, Pablo. I'm excited that you've been thinking of moving here. Like many **residents**, I think there are many great **communities** in the city. About half of the **population** comes from different **cultures** from around the world, so it's an exciting, multicultural place. It's not perfect, though. Most **neighborhoods** are nice, but some are dirty with a lot of **trash** on the streets. And these days, people are less friendly and don't try to help each other. I guess **society** has changed a lot since we were kids! Anyway, before you make a decision, read books on **migration** problems. I've read several, and they have some good advice.
