girl	skirt	hurt	burst
shirt	first	surf	Thursday

/æ/

/ɑː/

car

star

Zoom, zoom, in my car,

Driving near and driving far.

Run, jump, and go so far,

Adventure waits, like a shooting star.

At the park, we run and play,

Having fun, every day.

Try to rhyme

/jʊə/ except for:

pure	sure
cure	
picture	
adventure	

Picture, picture, look and see,

Adventure's waiting, come with me.

Let's adventure, you and me,

Pure and sure, it's fun and free.

Cure and secure, feeling fine,

Adventure awaits, let's comb and shine.

/aɪə/

fire	hire
tire	admire
wire	inspire

Fire, fire, bright and hot,

Burning, burning, on the spot.

On a tire, we drive so free,

Round and round, just you and me.

Inspire, admire, reach for the sky,

Dream and try, oh so high.

/eə/ except for:

care	square	are
share	prepare	
stare	declare	
rare	spare	

Show you care, be kind and fair,

Spread a smile, everywhere.

Stare up high, at the sky so rare,

Dare to dream, take to the air.

A square is strong, its sides are rare,

Shapes we learn, everywhere.
