Picture, picture, look and see,

Adventure's waiting, come with me.

Let's adventure, you and me,

Pure and sure, it's fun and free.

Cure and secure, feeling fine,

Adventure awaits, let's comb and shine.

Fire, fire, bright and hot,
Burning, burning, on the spot.

inspire
On a tire, we drive so free,
Round and round, just you and me.
Inspire, admire, reach for the sky,
Dream and try, oh so high.

Zoom, zoom, in my car,
Driving near and driving far.

Run, jump, and go so far,
Adventure waits, like a shooting star.

Show you care, be kind and fair,
Spread a smile, everywhere.

Stare up high, at the sky so rare,
Dare to dream, take to the air.

A square is strong, Its sides are rare,
Shapes we learn, everywhere.
