

The background is a dark grey surface featuring several colorful fraction wheels and math symbols. A large pink wheel is divided into eight segments, each labeled with a fraction: $\frac{1}{8}$, $\frac{1}{8}$, $\frac{1}{8}$, $\frac{1}{8}$, $\frac{1}{8}$, $\frac{1}{8}$, $\frac{1}{8}$, and $\frac{1}{8}$. A green wheel at the top is divided into five segments, each labeled $\frac{1}{5}$. A yellow wheel at the bottom is divided into three segments, each labeled $\frac{1}{3}$. There are also several small square tiles: a green one with a plus sign, a green one with an equals sign, and an orange one with the number 2. Colored pencils are visible in the top left and bottom left corners.
