Interesting families

Today, we look at two unusual families. Diane and Darlene are identical twin sisters with light hair, and Craig and Mark Sanders are identical twin brothers with dark hair. Craig is Diane's husband, and Darlene is Mark's wife. Craig and Diane have got three sons, Brady, Colby and Holden. Brady and Colby are identical twins! Mark and Darlene have got two daughters, Reagan and Landry. They aren't twins. All the cousins have got brown hair and brown eyes and look similar. The two families live in Texas in the USA, and their houses are on the same street. Sue and Noel Radford are from Morecambe in the UK, and they've got a big family – 22 children and 6 grandchildren. Now, 19 of their children live at home, so it's lucky their house has got 10 bedrooms. Many of the children share a bedroom. It's never quiet! An important thing in the house is the big washing machine – it's always on! The Radfords have got their own YouTube channel with lots of videos about the family, and they're on TV soon with a three-part TV show
