Reviews of animated films

A **Aero**

You'll want to see this film again and again, with a wonderful cast of animals, and folk music soundtrack sung by studio performers. And you'll learn something new about the characters each time you watch. Based on the book by a well-known author, it's a favourite for all the family.

C **Imagining**

While you're watching this beautiful film, you'll also be entertained by the wonderful piano and violin music that accompanies it. It's a film for the whole family, including young children, to sit down and see together. And everyone will find that they have something in common with the people in the film.

E **Roundabout**

The pictures are so fantastic, they almost need nothing more than the piano music that accompanies them. The film focuses on some brave friends who come together to support each other in various ways, and the well-known performers saying their words bring something really special to it. The film has lots to teach teenagers.

G **Rainbow**

The whole family will sing along to the songs by well-known performers in this film. Choose which of the characters is most like you – and who's your hero! From the book by teenagers' author Dylan Peters, it's been a favourite with audiences since it came out years ago.

B **Magic Makers**

This is a gentle film about a village of animals who all help each other through life – but things don't always go at all as they expected. In fact, they're usually far better! A beautiful, funny film with great songs you won't forget. You'll never get tired of watching it!

D **The Dance**

Although they haven't been together for long, a group of brave dancers decide to put on a performance, and their experiences are both funny and sad. The film's message is particularly suitable for teenagers, and the animation, in the form of old-fashioned cartoons rather than created by computers, is spectacular.

F **Terry**

The pop music in this film is great, as it features the voices of top performers. The film follows a friendly tiger in the jungle, who becomes a hero to his friends. This film first came out in the 70s, and the graphics in this beautiful film have changed very little.

Hi Marta

How are you? Sorry I haven't written for a while. But now I have some news – I've got a Saturday job! As you know, I've (27) meaning to look for a job for ages. But then Mum offered to let (28) work in her clothes shop, so I started last week. I'm really enjoying it, although it's hard work. There's (29) time at all to chat with the other assistants, sadly. That's (30) we're always so busy.

The good thing is that I'm finally earning a bit of money of my own, (31) I can use to buy the things I want. I'm also getting some great work experience.

Why don't you come to the shop (32) day soon? It's called Modes, and it's on Green Street. I'm sure you'll find lots of clothes that you like!

Hope to see you soon.

Janine
