perspective

Some people __(1)__ the elderly and young people in foster care with unfair labels. People who see only the negative traits of the elderly __(2)__ them as sad and __(3)__ creatures who can no longer think clearly. This view or __(4)__ is incorrect. Though illness may __(5)__ the minds of some old people, most of them are __(6)__ and live dignified lives with an __(7)__ that comes from the desire to live life to the fullest. As for foster youth, everyone should recognize their achievements and respect their individuality. No one should have to live under the __(8)__ of being someone he or she is not.
