

## Clothes

Hi guys! I'm going to talk about the clothes I wear!

For special events, I have dresses that are flowy and fancy. On regular days, I wear shirts, both long-sleeved and short-sleeved, in different colors and designs. To keep my feet cozy, I wear socks, either ankle-length or longer ones. When it's hot outside, I put on shorts, and when it's cold, I wear pants to keep my legs warm.

Some girls in my class wear skirts, which are shorter than dresses. For cold weather, I have jackets and sweaters that keep me warm. My feet are covered with boots for colder days and sneakers for running and playing sports.

At school, I might have a uniform including a polo shirt with a school logo and sometimes a tie. I can also add accessories like scarves and belts to make my outfits stylish. Scarves keep me warm, and belts hold up my pants or skirts.

In summary, I wear different outfits depending on the weather, occasion, or if there's a school uniform.

What do you often wear? I want to hear from you. Thanks for your listening
