**My last holiday**

**A. Max**

I went on holiday with my friends. The flight was fine, but it took two hours by bus to get to the hotel - I didn't enjoy that! The hotel was noisy and the staff wasn't friendly, but it didn't matter because we spent all our time on the beach, a short walk away. We tried lots of new dishes in the restaurants in the town. It was hard to sleep with such high temperatures, but we had a fantastic time, and the best thing was, we spent almost nothing once we arrived!

**B. Felipe**

The drive to our hotel from the airport was along lovely country roads. The hotel my wife and I stayed in was quite expensive. The people who worked there were wonderful, but I wasn't so sure about the hotel restaurant – the desserts were fine, but the main courses weren't very good. It was cloudy and rainy most days, but it didn't matter at all because we went to walk in the countryside, not to lie on a beach.

**C. Nikhil**

My family and I drove across the USA last year. We stayed in lots of different hotels. I don't know how much we spent because my parents paid. There was a lot of driving, but my dad enjoyed that. The weather was fantastic, and I couldn't believe the differences in what people ate from place to place. It was good to be with the family because there was always someone to talk to or to do things with.

**My city**

*Pop singer Charlotte Bond talks about living in London.*

I live in the center of London. I love it because there's always something happening and there are people around whatever time it is. Famous people like it too - they often come here for the restaurants and shops.

I've lived here all my life. When I was little, I had singing lessons at a place near where I live now. I was afraid of the teacher at first, and some of the songs we did together were quite hard to learn. But she was good at what she did and I learned a lot of things that have helped me in my career.

When friends visit me now, I enjoy taking them sightseeing. You can get a bus around the city, but we prefer to walk. I've got a little car and I love driving, but there's so much traffic here, and it's hard to find parking spaces.

One building I love is the Natural History Museum. They sometimes hold parties there, and last December my band and I played at one. I'll never forget it. When I go to exhibitions at the museum with my friends, I tell them all about that night and how amazing it was.

Soon I'll be leaving London to go on tour with my band. We're playing in lots of new cities and I can't wait to explore them. We've sold lots of tickets, which is great. I'll be away from my family for six months, but they're coming to see me sing, so it's fine.
