

Class Activity- Ohm's Law

Name: _____

Date: _____

Instructions: Answer the questions, by choosing your answer from the word bank below.

Volts, Power, Resistance, Amperes, Ohms, Voltage, Current, Watts, Ω , V, I

1. Current is measured in _____
2. Voltage is measured in _____
3. Resistance is measured in _____
4. Write the symbol for current _____
5. Write the symbol for voltage _____
6. Write the symbol for resistance _____
