Can you fill in the correct words?

"Chris! I have to talk, *urgently*! Remember I told you about the project to .... to what's happening to our .....? Well get this: I joined a professional group called "..... ....." and they're all about caring for the trees in the ....., the ..... beaches and the areas around any ..... or stream of water. They also .... promoting any ..... that will prevent a ..... or any company from ..... our home. Isn't that neat? How about joining us?"
