My Blog

I'm really interested in (1) - fashion from (2) past. Most of my friends follow (3) latest trends and they all wear (4) same type of (5) jeans, shoes, tops, etc. But my style is different. My gran was young in (6) 1960s and she's kept (7) clothes from back then. Last week she brought down (8) box from (9) attic in her house and I had a great time looking through (10) skirts and dresses in it. I found (11) beautiful long skirt and (12) elegant pair of shoes. I wore (13) outfit to Paul's party and (14) people there loved it!
