## Don't Look Back In Anger

Skip across the eye of your mind  
Don't you know you might find  
A better place to play  
You used to be a better person  
But all the things that you've seen  
Slowly fade away

So I start a revolution from my bed  
'Cause you said the brains I had went to my head  
Step outside, summertime's in bloom  
Stand up beside the fireplace  
Take that look from off your face  
You ain't ever gonna burn my heart out

And so Sally can wait  
She knows it's too late  
As we're walking on by  
Her soul slides away  
But don't look back in anger  
I heard you say

Take me to the place where you go  
Where nobody knows  
If it's right or day  
But please don't let me go  
Step outside, summertime's in bloom
