I've been cheated by you since I don't ..... when

So I made up my mind, it must ..... to an end

Look at..... now, will I ever learn

I don't know how, but I suddenly lose control

There's a fire within..... soul

Just one look and I can hear a bell ring

One more look and I ..... everything

Mamma mia, here I .....again

My, my, how can I resist you?

Mamma mia, does it show again?

My, my, just how much I've missed you?

Yes, I've been brokenhearted

Blue since the .....we parted

Why, why did I ever let you go?

Mamma mia, ...I really know

My, my, I could never let you go

I've been ..... and sad about things that you do

I can't count all the times that I've told you we're through

And when you ....., when you slam the door

I .....you know that you won't be away too long

You know that I'm not that .....

Mamma mia, even if I say

Bye-bye, leave me ..... or never

Mamma mia, it's a game we .....

Bye-bye doesn't mean forever
