

Listen to the song and fill in the blanks with the WH- question words you hear.

As long as You love Me

By The Backstreet Boys

Although loneliness has always been a friend of mine
I'm leaving my life in your hands
People say I'm crazy and that I am blind
Risking it all in a glance

And ¹ _____ you got me blind is still a mystery
I can't get you out of my head
Don't care what is written in your history
As long as you're here with me

CHORUS

I don't care ² _____ you are
³ _____ you're from
⁴ _____ you did
As long as you love me
⁵ _____ you are
⁶ _____ you're from
Don't care ⁷ _____ you did
As long as you love me

Every little thing that you have said and done
Feels like it's deep within me
Doesn't really matter if you're on the run
It seems like we're meant to be

CHORUS

As long as you love me
As long as you love me

I've tried to hide it so that no one knows
But I guess it shows
⁸ _____ you look into my eye

⁹ _____ you did and ¹⁰ _____ you're coming from
I don't care, as long as you love me, baby

CHORUS (x4)
