

Let's go to the cinema

(mediation)

Hola chicos. ¿Vais a pedir palomitas?

Podéis elegir entre dulces o saladas.

Los tamaños son pequeño (4€), mediano (5€), grande (6€) y extra grande (7€)

Los refrescos van aparte y son 2€ cada uno.

I only understood 'dos euros'... What did he say?

(Explain in your own words and ask her what she wants to drink. Offer her to share a big box of pop-corn with you)

Okay let's do that! I'll have an orange soda. How much is it?

(Calculate and say how much she has to pay)

Gracias chicos, disfrutad de la película!
....Espera! tu amiga se ha dejado el monedero. Por cierto, si vais a la película de Spiderman daos prisa porque va a empezar en 3 minutos.

(Tell her what he said in your words)
