The joint that bends in the middle of your leg
The joint where your arm bends
The part of your body where your hand joins your arm
The part of your hand that is shaped like a thick short finger and helps you to hold things
The hard smooth layers on the ends of your fingers and toes
One of the two organs in your body that you breathe with
The part of your body that joins your head to your shoulders
The organ in your chest which pumps blood through your body
The natural outer layer of a person's or animal's body
The part of your face above your eyes and below your  **LIVEWORKSHEETS**
