
Cycle 2&3 Spring Training Self-guided Task

Plan a collaborative learning lesson for Term 3

Using a **term 3 student book** on **Al Diwan** for a grade you are teaching, think of some of the collaborative learning strategies shown in today's session that would suit the lesson you are planning. Some examples are:

- Assigning Roles
- Using Rubrics
- Providing Choices

OR

Determine how you can collaborate with other teachers by using Student Data and Curriculum Resources to plan for Term 3 for your Grade/Stream/Level

The rationale of this is to give practical hands on experience in promoting collaborative learning in the classroom.

Teachers may work alone or in pairs but everyone is responsible for submitting their own forms. Please complete this form by the end of training week.
