Enemy- Imagine Dragons

I wake up to the sounds of the **silence / sirens** that allows

For my mind to run around with my **ear/ hair** up to the ground

I'm searching to behold the stories that are **old/ told**

When my back is to the world that was smiling when I turned

Tell you you're the greatest. But once you turn, they hate us

Chorus:

Oh, the misery

Everybody wants to be my enemy

Spare the sympathy

Everybody wants to be my enemy

(Look out for yourself)

My enemy (look, look, look, look)

(Look out for yourself) But I'm ready

Your words up on the wall, as you're praying for my fall

And the laughter in the **malls/ halls** and the names that I've been called

I stack it in my mind and I'm waiting for the **slime /time**

When I show you what it's like to be **worlds/words** spit in a mic

Tell you you're the greatest. But once you turn, they hate us (huh)

Chorus:

Oh, the misery

Everybody wants to be my enemy

Spare the sympathy

Everybody wants to **eat/be**

My enemy (look, look, look, look)

(Look out for yourself)

My enemy (look, look, look, look)

(Look out for yourself)

They say pray it away

I swear, that I'll never be a **saint/paint**, no way

A chair in the corner is my place, I stay

I shake and I think about the powers at play, the powers at play

And the kids in the dark that were doomed from the start

The child in the basement, **face/case** to the pavement

Oh, what a statement, love is embracement

Love is a constant, love is a basis

He cannot be, she cannot be, they cannot be changed

But keep on **playing/praying.**

Goodbye

Chorus:

Oh, the misery

Everybody wants to be my enemy

Spare the sympathy

Everybody wants to be

My enemy

Oh, the misery

Everybody wants to be my enemy

Spare the sympathy

Everybody wants to be my enemy

Oh, the misery

Everybody wants to be my enemy

Spare the sympathy

Everybody wants to be my enemy

Play/Pray it away, I swear I'll never be a saint, no way

My enemy

Pray it away, I swear I'll never be a **paint/saint**

(Look out for yourself)
