

Los Mandatos de la Clase

1. Pedro y Rosa just walks into the Spanish class. What does the Spanish teacher tell them to do next?

2. Your Spanish teacher wants you to underline some important words in the Spanish paragraph. What do you think she tells them to do?

3. The bell just rang for lunchtime and all the students had finished their work. What does the Spanish teacher tell them to do?

4. The principal did not hear Maria's question properly. What do you think she tells her to do?

5. Your Spanish teacher ask a question about the Spanish speaking countries. Most students shout the answers out. What do you think she tells them to do?
