EGE LETTER.
THE STRUCTURE.

Exercise № 1.

Put the parts of the letter in correct order.

In your letter you asked me about seasons and weather. Well, the weather in Russia is hot and sunny in summer. Also, it's extremely muggy, especially in July and August. My favourite season is autumn because I celebrate my birthday. Sometimes I like rainy and cloudy days. My future plans for the summer are simple. I'm going to enter university and spend time with my family.

Dear Ronny,

Well, I'd better go now as I have to help my mother in the kitchen. Write me back soon.

Thank you for your email message. I hope everything is fine with you and your family.

Now, it's my turn to ask you questions. Where is your uncle from? How old is he? Do you get along with each other?

Katya

Best wishes

Dear Kevin, Thank you so much for your email message. I was happy to hear from you again. Sorry I couldn't write you before because I was busy with my home work. In your letter you asked me about reading preferences.
Well, the last book I have read is "Later" by Stiven King. For my literature classes I have to read "War and Peace" by Leo Tolstoy, "Crime and Punishment" by Fyodor Dostoevsky and other interesting books. I often spend my time reading a book for pleasure on the weekends.
By the way, when did the film start? Was the film good? What is the genre of this film?
Sorry I must go now. I have lots to do.
Write back soon.
Best wishes, Nadya

EXERCISE №4. EVALUATE THE WORK ACCORDING TO THE CRITERIA.

Dear Kevin,

Thanks for your e-mail! I'm really happy to hear from you again.

In your message you ask me about books. The last one I've read was "Gods" by Vladimir Nabokov. It's a poignant story about a young couple who are trying to cope with the loss of their child. Usually, for my literature classes I have to read classic Russian novels or short stories. Some of the novels can seem daunting, but I like them nontheless. You ask me how often I read books for pleasure. Well, I have developed a habit of reading a little bit every day.

I'll ask you some questions about the film you saw. What was the film called? What was it about? What actors played the main roles?

I have to go now, my mom's calling me. Write back soon!

Best wishes,

Nastya
