from Mexico. He is from Guatemala. He and his wife are coworkers. They draw and write picture books for children. They are famous!

Tomas' grandson, Tony, is 28 years old. He is an English teacher in the local school. Gaja, Tony's girlfriend, is from Texas but she lives with Tony in a beautiful apartment near Mexico City International Airport. Their apartment belongs to Tomas. Their neighbors are our close friends, Jose Luis and Yvonne. They are school teachers, too. Tony is very happy. Gaja's brother, José, is Tony's old classmate from school. That's a coincidence! He's a pilot for Volaris and flies around the world.

Olivia and Tomas' children also work in Mexico City, but their house is in the country. Where is your house? Is it in the country or the city?

Hope to see you again soon!

Take care,

Geraldine
