

QUADRATS MÀGICS

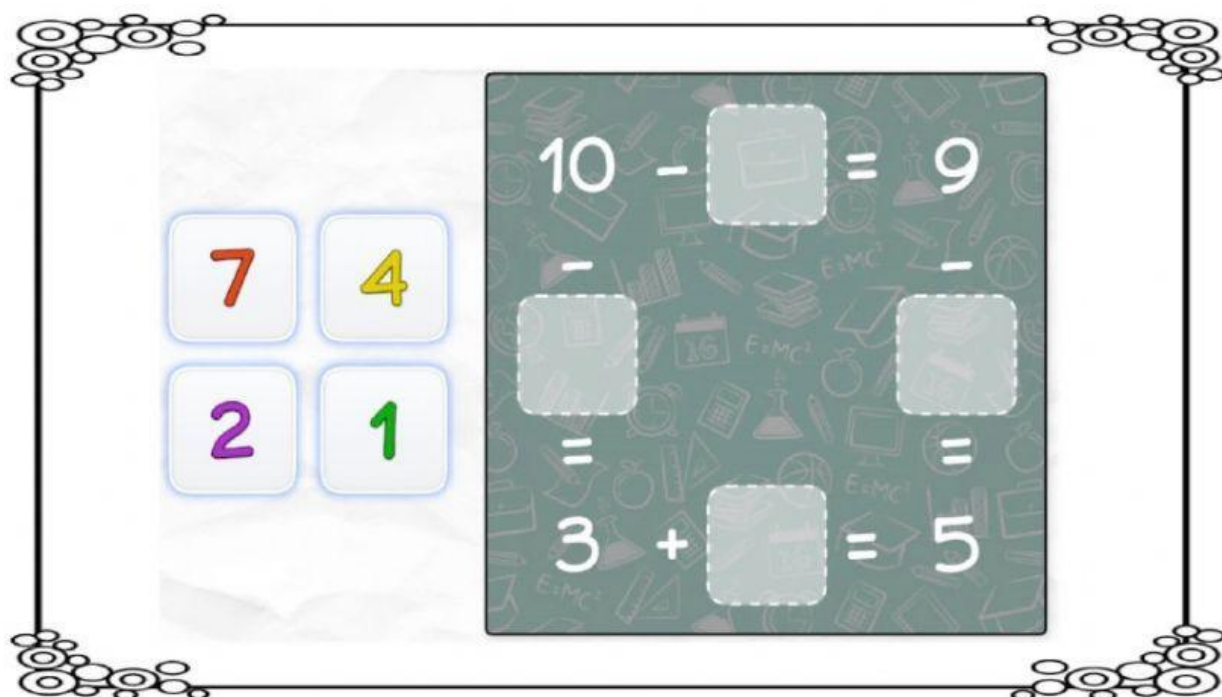

- Arrossega els nombres al seu lloc per a que les operacions siguin correctes

A magic square puzzle with a 2x2 grid of numbers and a 2x2 grid of equations. The numbers are 8, 7, 4, and 5. The equations are:

8	7
4	5

$9 - \square = 1$	$\square + \square =$
$\square - \square =$	$\square =$
$2 + \square = 6$	

A magic square puzzle with a 2x2 grid of numbers and a 2x2 grid of equations. The numbers are 7, 4, 2, and 1. The equations are:

7	4
2	1

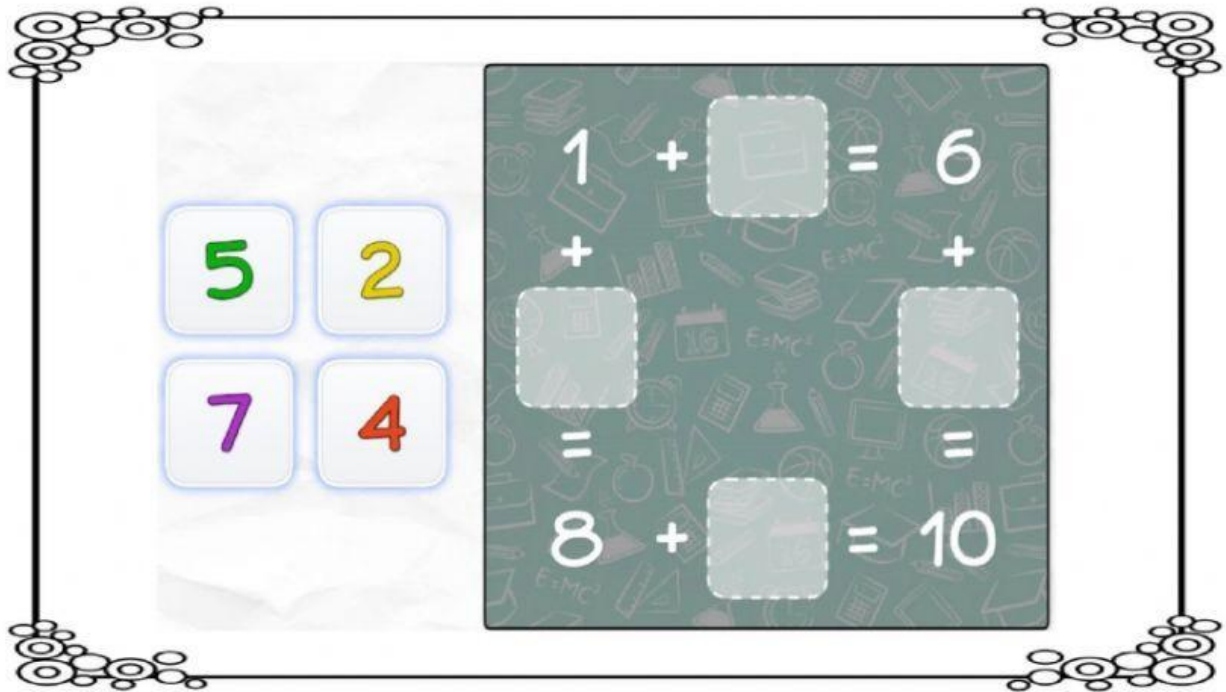

$10 - \square = 9$	$\square - \square =$
$\square - \square =$	$\square =$
$3 + \square = 5$	

1 4
2 3

5 - = 3
 - =
 4 + = 7

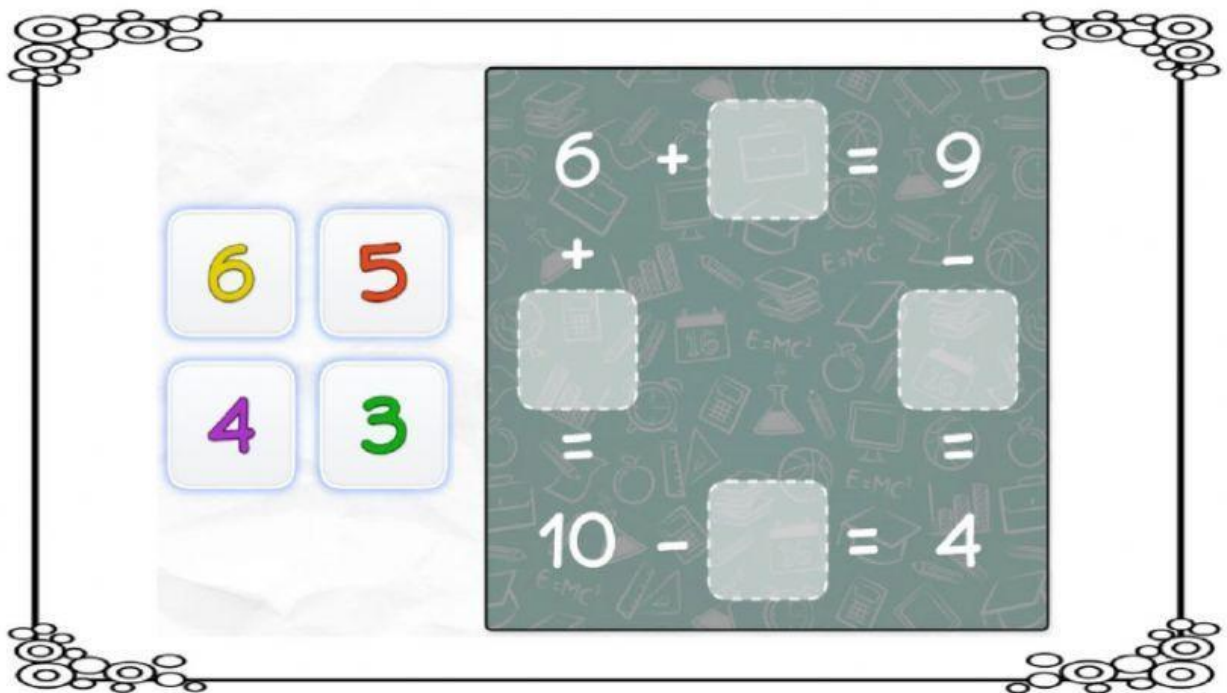

8 5
3 6

10 - = 5
 - =
 2 + = 8

5	2
7	4

1	+		=	6
+		+		
=		=		
8	+		=	10

6	5
4	3

6	+		=	9
+		-		
=		=		
10	-		=	4
