My brothers are very smart and work hard in school. My sister is a curious girl, but she is very kind. My grandmother also lives with us. She came from Mexico when I was two years old. She is old, but she is still very strong. She cooks the best food!

My family is very important to me. We do lots of things together. My brothers and I like to go on long walks in the mountains. My sister likes to cook with my grandmother. On the weekends we all play board games together. We laugh and always have a good time. I love my family very much.
